Visitation Policy

Camp Cullen is a 1.5- to 2-hour drive from the northwest side of Houston and is close enough for parents to visit their child at the campsite.

HOWEVER, we ask that the parents, friends, and family of the campers limit their visits to the campsite.

We work to promote a certain level of independence through a Sikh sangat and look to the parent to support this concept.

Please visit your children during playtime ONLY.

Parents will be asked to leave once playtime is over and cannot be in contact with the campers during the organized portion of playtime.
